

Martin/F. Weber Co.

Manufacturers of Fine Artists Materials Since 1853

FOR IMMEDIATE RELEASE

Martin/F. Weber Co. is proud to feature, just in time for those naughty and nice creative people on your last minute Holiday shopping list, the very finest in *Artists' Charcoal*.

Philadelphia, Pa. December 2006. Made of carefully selected, scientifically carbonized American willow sticks. The grain is even, and the black shades vary from the deepest to the lightest with a minimum of effort. Available in Medium American Willow, Soft American Vine, and Extra Hard American Willow and finely processed Rouget™ American Willow in Soft, Medium and Hard with varying thickness. Vine charcoal is dark gray while Willow charcoal is black. All sticks are approximately six inches long.

There are six different *Artists' Charcoals* available.

1. No. 9301 American Willow Charcoal (Medium) 25 Square ¼" x 6" Sticks / Box.
2. No. 9302 American Vine Charcoal (Soft) 25 Round 3/16" x 6" Sticks / Box.
3. No. 9303 American Willow Charcoal (Extra Hard) 25 Round ¼" x 6" Sticks / Box.
4. No. 9316 Rouget™ Charcoal (Soft) 15 Round ¼" x 6" Sticks / Box.
5. No. 9317 Rouget™ Charcoal (Medium) 15 Round ¼" x 6" Sticks / Box.
6. No. 9318 Rouget™ Charcoal (Hard) 15 Round 3/16" x 6" Sticks / Box.

Have some extra fun this Holiday season and give a gift of *Artists' Charcoal* to your creative friends and family!
